Hill-Rom NP150 Viscoelastic

Temperature sensitive, viscoelastic foam mattress

The Hill-Rom NP150 Viscoelastic mattress has been specially developed to help prevent pressure ulcers. The temperature sensitive, viscoelastic foam moulds to the patient's shape, evenly distributes the weight and contours to the body in any position, increasing patient comfort and pressure redistribution. It is adaptable to most bed frames and conforms to all bed positions.

The fully enclosed mattress with its waterproof, yet vapour permeable, multi-stretch, bacteriostatic and fungostatic polyurethane cover is easy to clean and disinfect enhancing hygiene for patients and caregivers.

The Hill-Rom NP150 Viscoelastic offers 1 extended length

Standard size: 198 cm
